CAREER OBJECTIVE

Motivated Computer Science and Information Technology undergraduate seeking an entry-level opportunity to apply skills in Python, Java, web technologies. Eager to contribute to real-world projects, solve technical problems, and grow professionally through continuous learning. Looking for a challenging and responsible position where I can utilize all my skills for the growth of the organization and helping myself to grow along with the organization.

EDUCATION

B.Tech – Computer Science & Information Technology | Vemu Institute of Technology

2023 – 2027 | CGPA: 8.93 / 10.00

Intermediate (MPC) – Sri Chaitanya Junior College

2021 – 2023 | Percentage: 82%

SSC – ZP High School

2021 | Percentage: 94.6%

INTERNSHIP

Machine Learning with Python – APSSDC

- Gained practical exposure to Python programming, data preprocessing, exploratory data analysis, and fundamental machine learning workflows.
- Strengthened problem-solving skills through hands-on practice with Python-based machine learning tasks.

PROJECTS

Smart Agriculture AI

- Developed an AI and machine learning-based agriculture assistance system for data-driven farming recommendations.
- Implemented crop recommendation, crop yield prediction, irrigation, fertilizer recommendation, and plant disease detection modules.

AI Health Assistant Chatbot

- Developed an AI-based health assistant chatbot using Python and machine learning.
- Designed the chatbot to provide basic health-related information and relevant responses.

CERTIFICATIONS

- Machine Learning with Python – APSSDC
- C Programming – Certified Course
- AWS Cloud Practitioner – Foundational Level
- Cloud Infrastructure and Services – NPTEL
- Agentic AI Foundations – Oracle
- Service Now Certificate

TECHNICAL SKILLS

Programming Languages: C, Java, Python

Web Technologies: HTML, CSS

Tools: Git, VS Code, Microsoft Office

WORKSHOPS & TRAINING

- AI Tools and Applications Workshop
- C Programming Hands-on Workshop
- Python Programming Practical Workshop

STRENGTHS

- Quick Learning & Adaptability
- Time Management
